MICEBooks

Leveled Readers
Level C

"Multi-sensory Interactive Children's Electronic Books" (MICEBooks) are leveled readers following the formulas devised by Fountas and Pinnell. Interactive versions of these books can be found at **https://mrnussbaum.com/leveled-micebooks**.
The interactive versions have text-to-speech capabilities for single words and highlighting of words as they are spoken for full pages.
They also contain a video for the book, spelling, sight word, and rhyming games for each book's vocabulary and a comprehension quiz.

Can you?
